GEMSTONE APPRAISAL COMPANY OPENS ITS DOORS

Noblesville, IN—Haas & Co. a gemstone, diamond and jewelry appraisal company can tell you how much Aunt Tilly's pearl brooch, grandma's diamond engagement ring or dad's Rolex is worth—all while you wait. Laura D. Haas, an expert gemologist who has been in the industry since 1994, with a graduate gemologist degree and recently founded the company Haas & Co., LLC.

The company, located in downtown Noblesville, (near the square of 8th Street and Conner), will provide the Noblesville community and surrounding communities with a service of new levels by picking up where the fine jeweler leaves off. Since precious jewelry is as sentimental and significant as the event, person or holiday it signifies, Haas and Co. will appraise the piece in clear sight, by private appointment in a professional atmosphere. Haas & Co. is able to perform appraisals on a vast array of jewels from all eras, as well as offer gem and metal identification or Independent Diamond Reports.

Mrs. Haas, a Graduate Gemologist, is a member of a plethora of trade organizations including: associate member of the International Society of Appraisers, National Association of Jewelry Appraisals, Jewelry Information Center and Jewelers of America. She is also a member of the Women's Jewelry Association, American Society of Jewelry Historians, and a GIA Alumni. National organization membership includes the Fishers Chamber of Commerce and Business Network International.

To her honor, Mrs. Haas was recently one of five to be awarded with a scholarship from the Fellow Gemmological Association of Great Britain. She will be one of 216 in the world and as of date to be a practicing Graduate Gemologist and appraiser as well as a member of the Fellow Gemmological Society of Great Britain, upon her completion in 2004. For more information, or to set up an appointment, please contact Haas and Co. at 317-507-5957.
